What is PRIDE? PRIDE in Public Education is a campaign aimed at sharing the successes of our public schools and building community support and involvement.

What does PRIDE do? The WEA Pride program sponsors Willingboro sports teams, joins forces with the Neighborhood Watch to make our community a safer one, honors Willingboro's Finest Students, Support Staff, Business and Citizen, works with each schools' PTAs, supports both school and community events, and helps to gain the support of our community!

How do I join PRIDE? It's easy! Just ask fill out the bottom and send it to Kara Keefe at Hawthorne Elementary School or return it to the WEA office. We have meetings once a month on Tuesdays after school.

For more information or any ideas about Pride contact Kara Keefe at 201-704-4954 or weapride@gmail.com.
